

Seem® 2 LED Family

Grid

Suspended

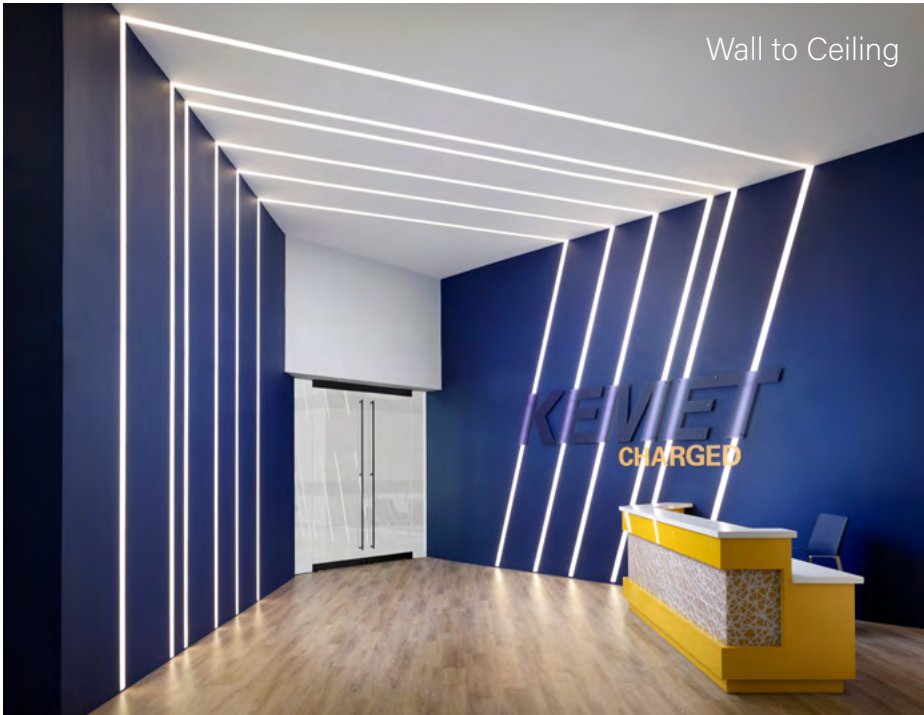

Drywall

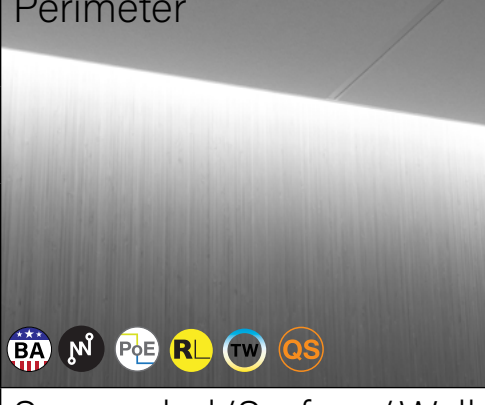

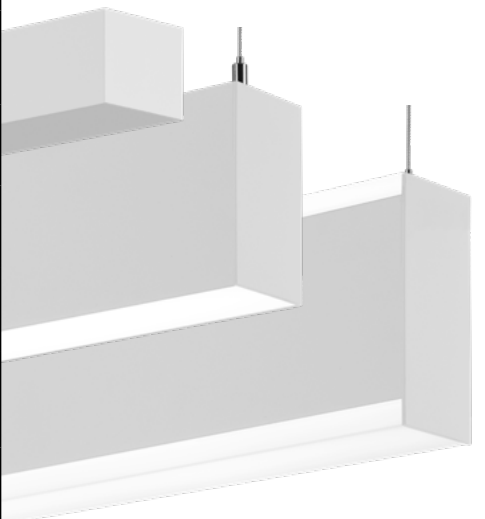

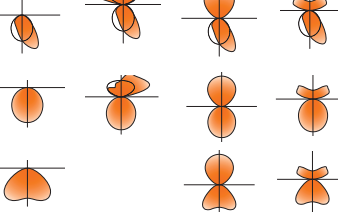

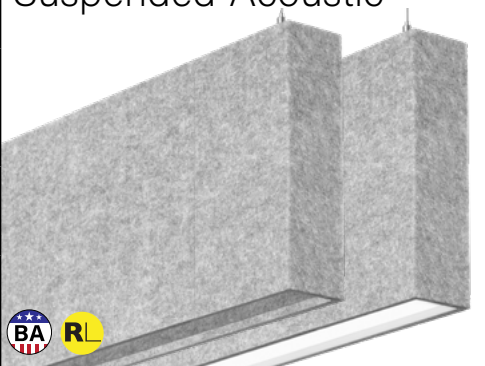

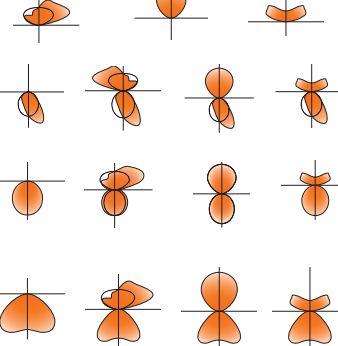

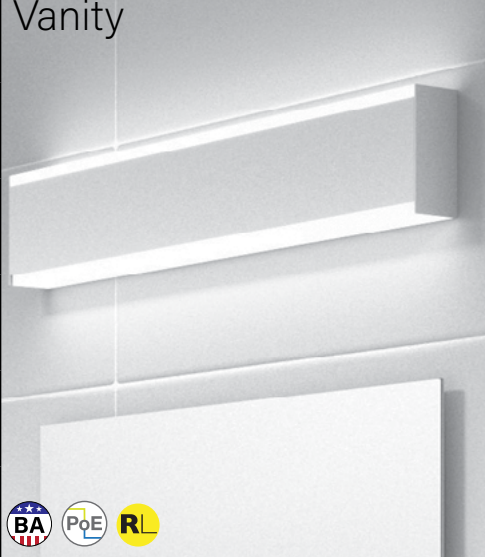

Perimeter

Wall to Ceiling

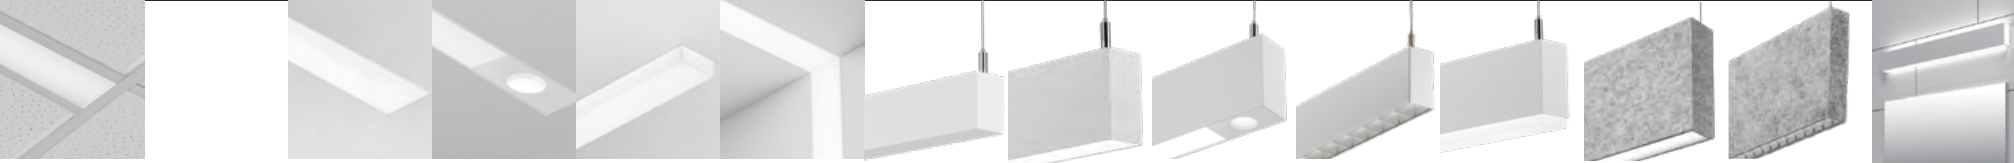

A narrow 2.5" aperture luminaire designed to fit organically into architecture and provide a clean visual aesthetic, Seem 2 integrates with ceilings and walls in different configurations to bring harmony to interior spaces and to support diverse applications. It allows for design flexibility with modern finishes, individual lengths, continuous runs, or patterns in a variety of mounting styles: recessed, perimeter, suspended, surface mount, and wall mount. Several shielding, color temperature, and distribution options provide the perfect blend of high performance and visual comfort.

	SHIELDING	DISTRIBUTION	LUMENS/FT	COLOR		LENGTHS	PATTERNS	
				TEMP (K)	CRI			
<div>Grid</div> <div></div> <div></div>	 Asymmetric / Batwing / Flush Lens		125 250 375 500 625 750 875 1000	2700 3000 3500 4000 2700-6500	>80 >90	Runs in 1" increments	L, U, Rectangle, Custom	
	 Regress Lens					Runs in 1' increments		
	 0.5" Pop-Down Lens							
	 1.5" Pop-Down Lens					Individual units up to 8'
