

Seem 4 LED Family

FOCAL POINT®

Bringing It All To Light®

A 4" aperture luminaire designed to fit organically into architecture, Seem® 4 integrates with ceiling and walls in different configurations to bring unity to interior spaces. Seem 4 supports diverse applications with modern finishes, individual lengths, continuous runs, or patterns in a variety of mounting styles: recessed, suspended, surface mount, and wall mount. Several shielding, color temperature, and distribution options provide the perfect blend of high performance and visual comfort.
