Cosmic

A celestial journey through color and movement

Inspired by the stars

Crafted for earthly spaces

Step into a world where celestial phenomena inspire earthly elegance

The Cosmic Collection is a curated series of five colorways, each drawn from the awe-inspiring beauty of the universe. This collection reimagines cosmic events as immersive palettes, offering designers a fresh way to infuse spaces with emotion, energy, and story through our diverse acoustic solutions.

A study in depth and luminosity, the Cosmic Collection invites designers to explore surfaces that echo both the wonder of the cosmos and the rhythms of nature.

Blue Star

Vivid blues reminiscent of rare, isolated stars bring a sense of clarity and depth.

The accompanying solid colors, from deep Midnight Blue and Denim Blue to crisp Cornflower Blue and Pearl Ice, allow designers to layer cool and calming tones for dynamic yet balanced compositions. Perfect for interiors seeking a fresh, modern aesthetic.

Nivo Acoustic, various depths, Blue Star, Cornflower Blue, Denim Blue. Nivo Acoustic, flush, Pearl Ice.
Nivo, various depths. TruTile Multitrak, Denim Blue.

Green Quasar

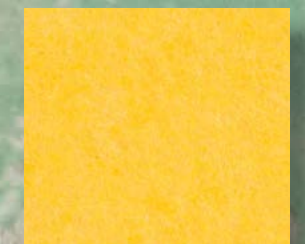

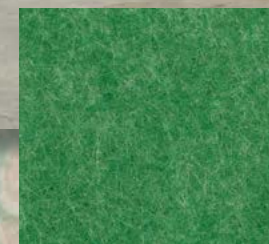

Mystical greens inspired by glowing quasar filaments bring dimension and intrigue.

100% Scale

Paired with solid hues in Emerald Green, Deep Water, Seafoam, and Pineapple, Green Quasar creates immersive, nature-infused interiors with a futuristic edge. Ideal for spaces that balance vitality with sophistication. for dynamic yet balanced compositions.

Mora Build Wave unlit, 6ft x 6ft, 6" blade spacing, Green Quasar.

Moon Rock

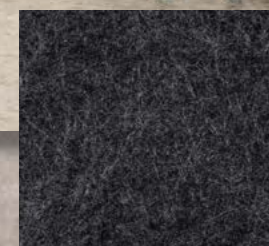

Echoing the rugged beauty of lunar landscapes, Moon Rock blends silvery grays with mineral-inspired tones.

100% Scale

The coordinating solid colors, from Charcoal Gray to Shadow Gray, Silver Gray, and warm Hazelwood, make it ideal for serene interiors. Think minimalist and calming environments where quiet strength meets refined design.

Seem 2 Acoustic Direct/Indirect, 12" baffle height, rectangles, Moon Rock. AirCore Blade, 6" baffle height, Natural Linen. Tazo Dual, Direct/Indirect, Matte Black.

Pink Nebula

A celestial dance of pinks inspired by star-forming regions, Pink Nebula radiates energy and elegance.

100% Scale

Paired with solids ranging from Berry and Deep Purple to soft Blush and grounded Pearl Ice, this palette offers endless possibilities, from bold features to subtle accents. It is perfect for creating spaces that feel both sensual and modern, with a cosmic twist.

Plyta Ovo, lit and unlit, 36" and 42", Pink Nebula, Berry, Blush.

Solar Flare

Bursting with fiery oranges and golden undertones, Solar Flare channels the Sun's explosive energy.

100% Scale

The coordinating solid hues: rich Cherry Red, warm Brick Red, and vibrant Carrot or Pineapple invite bold statements. This palette sparks creativity, collaboration, and energizes any environment.

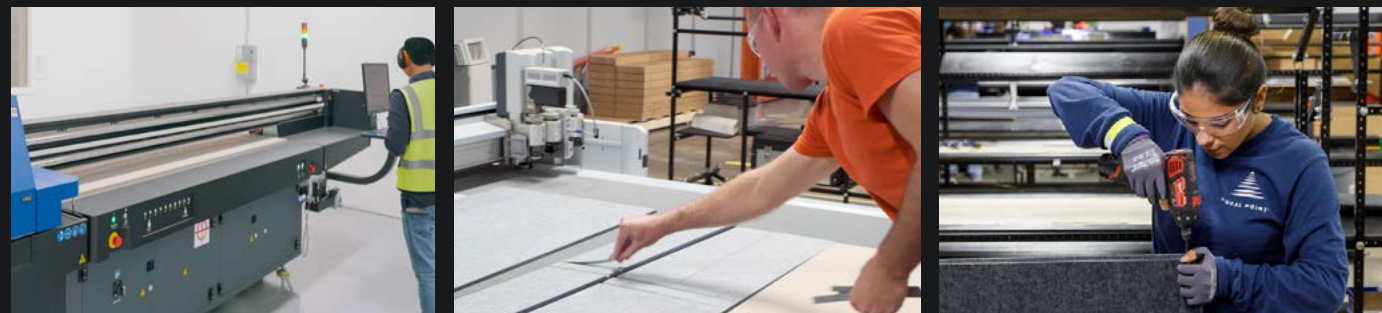

Seem 1 Acoustic Trio Direct/Indirect, 6ft diameter, Solar Flare.

Bringing your vision into orbit

The Cosmic Collection is more than a celebration of celestial color, it's a testament to our commitment to quality, sustainability, and creative partnership.

With vertical integration and expert design support, we empower designers to shape bold, beautiful spaces. Paying meticulous attention to form, proportion, and materiality, our team partners with you to spark ideas, solve challenges, and bring your vision into orbit.

Every colorway is rendered on our Declare Certified, LBC Red List Free PET felt, made with up to 50% post-consumer content and fully recyclable.
