FOCAL POINT®

⚠ BEFORE YOU BEGIN

- Luminaires must be installed by a qualified electrician (check with local and national codes for proper installation).

- To prevent electrical shock, disconnect electrical supply before installation or servicing.

- Contractor is responsible for adequately reinforcing walls and/or ceilings to support fixture weight.

- Focal Point, LLC accepts no responsibility for inadequately reinforced walls and/or ceilings.

- The information contained in this drawing is the sole property of Focal Point, LLC. Any reproduction in part or whole without the written permission of Focal Point, LLC is prohibited.
